I.D. NOTICE

Non account customers are requested to provide two valid proofs of ID. One proof of I.D. must be photographic I.D. (passport or driving licence) and the other a utility bill.

WORKING AT HEIGHT

To work safely and effectively at height you need to select the correct piece of access equipment for the job in hand. Incorrect selection can result in potential serious injury. The HSE have implemented some improved industry regulations with the intention of massively reducing the number of accidents through the misuse of access equipment. A risk assessment should be performed by the customer and it must be clearly demonstrated that the correct equipment has been selected for the job in hand.

HAND & ARM VIBRATION NOTICE

Some items of equipment in this leaflet require an awareness of Hand Arm Vibration risks. A safety leaflet, (HAE 2150) will be provided with all relevant equipment and should be read before commencement of works. The purchase of suitable personal protective equipment is advised. Our hire centre staff will be pleased to advise you on the safe use of hired equipment.

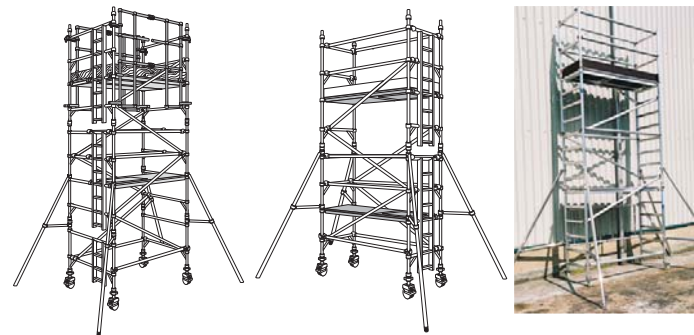

Safety First!
